9. Is the project aware of the Performance Measures and reporting timeline for ARRA funded programs:

- Reporting of Performance Measures will be accomplished using BJA's Performance Measurement Tool (PMT);
- PMT reports must be completed on a quarterly basis (i.e., July 15, October 15, January 15, and April 15) for the life of the grant; and
- Failure to submit PMT reports by the due date could result in the project's award being suspended and/or revoked.

☒ ☐ ☐

Comments: The project acknowledged that they were aware of reporting process and dates of the PMT reports, and failure to comply with the process can result in the grant award being suspended or revoked.

10. For existing staff positions, does the project have documentation that the position would have been eliminated if not for Recovery Act funding?

☐ ☒ ☐

Documentation may include:

- Budget comparisons and/or projections before and after the Recovery Act award date
- Formal layoff recommendations and retractions (memos, reports) or
- Minutes of formal meetings where official budget decisions were made.

Comments: The program informed Cal EMA staff that the grant award did not create or retain a grant funded position, and no supportive documentation regarding ARRA funds to do so have been retained by the program.
